Education

- | | |
|--|-----------------------------------|
| Hitotsubashi University | Tokyo, Japan |
| Ph.D., Commerce and Management | March 2005 |
| • Dissertation: “The Determinants of Unused Patents: A Theory and New Evidence from the Japanese and US Patent Data” | |
| • Academic Advisors: Sadao Nagaoka, Hideshi Itoh | |
| Hitotsubashi University | Tokyo, Japan |
| M.A., Commerce and Management | March 2002 |
| • Thesis: “The Optimal Allocation of Control Rights in Biotechnology R&D Alliances” | |
| • Academic Advisor: Hideshi Itoh | |
| Hitotsubashi University | Tokyo, Japan |
| B.A., Commerce and Management | March 2000 |
| • Thesis: "Why Financial IT is Delayed in Japan Compared with The US?" | |
| • Academic Advisor: Hiroyuki Itami | |
| University of California, Los Angeles | CA, USA |
| EAP, Pre-Business Economics | September 1998 – June 1999 |
| • Education Abroad Program | |
| • Participated in 1-year student exchange | |

Academic Awards & Grants

- | | |
|---|------------------|
| Grants-In-Aid for Scientific Research (Mext) | 2010-2013 |
| • Grant-in-Aid for Young Scientists (B) (No. 22730313) “Technological Strategic Position and Patent Use Behaviour: Viewpoint from Patent life cycle aspect” | |
| Grants-In-Aid for Scientific Research (Mext) | 2007-2009 |
| • Grant-in-Aid for Young Scientists (B) (No. 19730270) “How patent systems influence on acquisition and use of patents by Japanese, US, and EU firms?” | |
| Microsoft Public Trust for Intellectual Property Research Support Fund | 2006 |
| • Grant-in-Aid from Microsoft Corporation to the project “The Economics of Unused Patents in Japan and the US” | |

Current Research Interests

unused patents, patent thicket, patenting strategy, management of technology, R&D, secrecy (know-how), blocking patent, technological strategic position,

Teaching Experience & Research Experience

Japan Patent Office	Tokyo, Japan
---------------------	--------------

Committee Member	September 2011 – March 2012
Study on Applicants' Filing Behavior etc. of Industrial Property Rights for New Economic Growth in Japan	
Intellectual Property Association of Japan	Tokyo, Japan
Editor	November 2011 – Present
Japan Patent Office	Tokyo, Japan
Committee Member	October 2010 – March 2011
Study on Patenting Use Behavior in Japan	
Japan Patent Office	Tokyo, Japan
Committee Member	October 2009 – March 2010
Study on Applicants' Filing Behavior etc. for Sustainable Economic Growth in Japan	
Institute of Intellectual Property	Tokyo, Japan
Visiting Research Fellow	July 2011 – March 2012
Institute of Intellectual Property	Tokyo, Japan
Visiting Research Fellow	May 2009 – March 2010
Department of Economics, Kanagawa University	Kanagawa, Japan
Associate Professor of Management	April 2007 – Present
Department of Economics, Kanagawa University	Kanagawa, Japan
Assistant Professor of Management	April 2005 – March 2007
PHP Research Institute, Inc.	Tokyo, Japan
Visiting Research Fellow	December 2002 – May 2003
Research for Policy Making to Privatize Japan Postal Service	
Institute of Innovation Research, Hitotsubashi University	Tokyo, Japan
Visiting Research Fellow	May 2005 to March 2012
